

Butterflies

bereavement
support group

Are you a mum or dad (of young children) who has lost a parent?

Being a parent when you have experienced the loss of your own parent(s) may raise many issues.

Butterflies aims to offer support in a confidential, caring and relaxed group with others who have shared similar experiences.

The group usually meets at a venue in North West London, and can also be held remotely, if necessary. The group is facilitated by experienced bereavement counsellors, on hand to offer guidance and support.

If required, babies and toddlers can be cared for by qualified staff in a crèche on site.
